## APPLY FOR NAVIS INSPIRE AWARDS 2019

Visit [navisworld.navis.com/inspire](http://navisworld.navis.com/inspire) to learn more!

### RULES FOR APPLICATION:

To apply for a Navis Inspire Award, please complete this form with as much detail as possible. It can be completed electronically and submitted by email. Please attach supporting documents and images as appropriate.

The Navis Inspire Awards are open to all Navis and XVELA customers\* including terminal operators, ocean carriers, vessel owners and port authorities. There is no charge to enter. You may submit multiple entries to multiple categories. A separate nomination form will be required for each category. Winners will be announced during an awards ceremony at Navis World 2019.

**APPLICATION DEADLINE:** December 31, 2018

**01** Tell us about the company/organization that you are nominating.  
Please describe the type of operation, location, unique characteristics.

A large, empty rectangular area with a light blue gradient background, intended for the applicant to provide details about the company or organization being nominated.

02 Why are you nominating this company/organization for this category?  
Describe the project. What was it and why was/is it unique and important?

A large, empty rectangular area intended for the user to provide their nomination details and project description.

# 03

Describe the Goals and Objectives that you had for the project.

A large, empty light blue rectangular area intended for the user to describe the goals and objectives of their project.

# 04 Please tell us about the project planning, development and execution.

Empty text area for project planning, development and execution details.

05

Please detail key measures, metrics and ROI results. Include as much detail as you can including examples and evidence. How has the operation or business improved as a result of this project?

A large, empty rectangular area intended for the applicant to provide detailed information regarding key measures, metrics, ROI results, and evidence of operational or business improvements.

06

What are the factors that affected the project positively or negatively?  
What lessons would you like to share with the Navis community?

A large, empty rectangular area with a light blue gradient background, intended for the applicant to provide their response to the questions above.

07

Who were the key team members who drove and contributed to the success of the project. With your submission, please include any photos that you may have of the project and the team.

A large, empty rectangular area with a light blue gradient, intended for the applicant to provide details about key team members and include photos of the project and team.
